

PERFECTED AT LAST

BLACKMAN'S MEDICATED SALT BRICK

Cures and Keeps Stock Healthy and Insures them a Constant Supply of Salt

PREVENTS
Blind Staggers
Colic, Heaves,
Lampers,
Texas Fever,
Cholera and
Murrain.

What It Is.
 Blackman's Medicated Salt Brick, as now made, is composed of the purest dairy salt and the best medicine known to Veterinary Science for the diseases for which it is intended. The brick is about 7 1/2 inches long, 2 1/2 inches wide, 1 1/4 inches thick, weighs about 2 pounds, is compressed and baked at a degree of heat which will not injure the medicine. It is then wrapped in wax paper, both ends of which are sealed and packed in strong, air-tight cartons, to protect the stock perfectly until it reaches the feed box.

What It Does.
 Aids Digestion.
 Purifies the Blood.
 Removes Ticks and Worms.
 Cures Skin Diseases, Itches, Swells and Bowed Tendons.
 Prevents Colic, Heaves, Blind Staggers, Lampers, Texas Fever, Murrain and Cholera.

What It Don't Do.
 Don't get old or weary.
 Don't lose strength with age.
 Don't get hot and have to be hunted up at feeding time (often in the dark) as in other stock remedies.
 Medicated Salt Brick is not intended to be used where a Veterinary is needed and can be covered, neither is it a new or wonderful discovery in the medicinal line. The medicine it contains are used by the best Veterinarians everywhere and we make no secret of it. Our patent is not on the medicine used, but on our manner of packing it in the Salt Brick, which is new and novel, and is as we claim, the best, simplest and surest way to give medicine to stock.

THEY INJURE CHILDREN

Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They cause griping, nausea and other distressing after-effects that are frequently health-destroying and a life-lasting annoyance.

We personally recommend and guarantee **Rexall Osmolins** as the safest and most dependable remedy for constipation and associate bowel disorders. We have such absolute faith in the virtues of this remedy that we will it as our guarantee of money back in every instance where it fails to give active satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Osmolins contain an entirely new ingredient which is odorous, tasteless and colorless. As an active agent, it embraces the valuable qualities of the best known intestinal regulator tonics.

Rexall Osmolins are taken like candy. They are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relaxed muscular coat of the bowel and its dry mucous lining; remove irritation, overcome weakness, tone and strengthen the nervous and muscular, and restore the bowels and associated organs to more vigorous and healthy activity.

Rexall Osmolins completely relieve constipation, except when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no medicine for this purpose so good as Rexall Osmolins, especially for children, aged and delicate persons. They are prepared in tablet form, in two sizes of packages, 12 tablets 10 cents, and 24 tablets 20 cents. Remember you can obtain Rexall Remedies in Live Oak only at our store.—The Rexall Store, Swannanoa Drug Co.
